

## Celebrating “Dia di Reina Beatrix” at St. Dominicus Colegio

During Aruban holidays there is various events, communities hold street fairs with a variety of activities and this year the students of St. Dominicus Colegio in Oranjested conducted an open house to raise funds for their school. The students of 6B operated the traditional flea market and all the trappings of a classic Queen’s Day celebration welcomed visitors.

Island music and barbecue plus games for the kiddies made it a fun day for all. Physical Education teacher Ingmar not only supervised with the help of teaching intern Jeffrey, but also often got personally involved. A raffle at the end of the day with goods donated by Radio Shack also assisted the school.

Many came to enjoy a bargain lunch, and a very tempting sweet treats table was also very busy. It was a sweet celebration all around at St. Dominicus Colegio.
